## Process description

### Service requests

The service may be received by a natural person or by a legal person of private law who carries out the installation, servicing and other activities referred to in Article 23(2) of Regulation (EC) No 1005/2009 and in the second subparagraph of Article 3(4) of Regulation (EC) No 517/2014.

The service can only be requested via an e-service.

The service is free.

### Receipt of services

Licences (licences) shall be prepared in electronic form, signed with a secure electronic signature and sent to an e-address or the e-mail address indicated in the application.

The Register of Permissions (Licences) shall be available on the site of the State Environmental Service registers.
